\$615,017 in revenue for FY 2015

\$413,649 in projects for FY2015

\$46,076 in fundraising expenses

5 SPECIAL EVENTS in Big Fork, Helena, Great Falls, Lewistown and Billings

Recap: COMPLETED PROJECTS

BEAR MANAGEMENT

The 2015 bear initiative reached its goal to recruit four seasonal biologists who help with bear management, conflicts, education and awareness of co-existing with these magnificent animals.

“I learned many things this summer about grizzly bear management from one of the greatest and most renowned grizzly bear biologists.” - Dan Madel

SAPPHIRE ELK MONITORING

A significant gift to this project made it a reality over the last couple years.

We are grateful for the research and data that was collected for the management of elk in this area.

BOYER-ROMAN CREEK

We were delighted to partner with the Five Valley Land Trust in this project to ensure we have continued access to great outdoor activities.

2016 *Featured* PROGRAM: TRAVELING WILD

Youth are tomorrow's stewards. Let's make sure they get outdoors!

Each year Montana Wild staff and volunteers reach more than 5,000 students from over 100 schools and hundreds of families through community programs but they could be reaching more with your help.

Traveling Wild is a new program designed to take a vibrantly colored van to rural schools across Montana to bring Montana Wild programs onsite.

PROJECT GOAL: \$75,000
